PSYCHIC SERVICES

Live Psychic Services from Square1 are fully managed & licensed, conforming to all ICSTIS regulations. We only used skilled and experienced readers, which ensures that you see excellent average call durations, which in turn increases your profit margins.

Live Tarot allows callers to talk live with one of our experienced readers and to choose from a three or five card reading.

Live Psychic. This is one of our most popular services and simply allows our professional and experienced psychics to discuss and inform the caller of possible future developments in many aspects of their life.

Interactive Tarot is an IVR based service. Callers are asked to enter their Date of Birth and then select either a 'three card' or a 'five card' reading.

Interactive Stars is an IVR based horoscope service allowing callers to select a daily reading from a menu of star-signs.

The above services are available at £1 or £1.50 per minute
